HOMEWORKER OFFERS

Given the current challenges facing the UK from Coronavirus, more and more staff are working from home or self isolating which means office teams are now dispersed around the country.

To help with this we have available a great value for money range of products that can be sent direct to a home address via couriers or Royal Mail. This is a short term offer to support the current Coronavirus restrictions and has been heavily discounted.

This range means your people do not miss out and that as a business you can still celebrate, reward and motivate remote them by sending them something tasty to their home address.

This special low cost range of Homeworker Products are a short term offer that will run whilst the country has the working restrictions caused by the Coronavirus.
