Making brands tasty!

Contents

Our Letterbox Range is a great way to send logo branded cakes directly to home addresses, and are designed to be small individual treats. They offer great value for money. They are a brilliant way to reward homeworkers.

Our postal boxes are designed to fit through a standard UK letterbox and some items can be delivered as a Royal Mail small parcel, which keeps delivery costs down. We also offer some small sized items that can be distributed as lightweight parcels via our dedicated couriers.
