#TweetBeforeYouEat - These products are very social media friendly and if used properly can create really good coverage. Why not run a competition for the best picture of someone eating your products and see how much people will get involved and promote your brand

UK Wide Delivery

We specialise in multi-location projects as our cakes, cupcakes, biscuits and flapjacks can be delivered to any UK location via our trusted couriers.

We can deliver both large and small quantities, anything from a single tray of cakes to one address, up to thousands of cakes, cupcakes and biscuits to hundreds of locations.

We dispatch our products via a courier that specialises in delivering fragile products. Combined with our specially designed packaging, this means we successfully deliver thousands of products to hundreds of locations every week.

Deliveries are weekdays and we have four delivery options:

By 16:00 / by 12:30 / by 10.30 / by 09.30

All of our edible logo products are sent in packaging that can be 100% recycled and much of our packaging is made from recycled materials.

Frosted Cupcakes (Large Topper)

Everyone loves receiving a cupcake and they are a great way to promote your brand. Cupcakes are ideal for exhibitions, as desk drops to employees or to send to staff, customers and prospects to celebrate a business event or promotion.

Standard Frosted Cupcakes are our most popular cupcake product and we send out thousands every week to businesses across the UK.

The cupcakes baked from scratch to a traditional recipe using high quality ingredients including butter and free range eggs.

Each cupcake consists of a sponge base, a swirl of buttercream frosting and a 50 mm fondant topper with a high quality edible print.

- **Frosting Flavours:** Vanilla / Lemon / Light Chocolate.
- **Branding Area:** 5cm Diameter Circle.
- **Minimum Order:** 1 tray of 15 cupcakes (online ordering available) going up to thousands to multiple locations.
- **Shelf Life:** At their best for 3 days from delivery.
- **Delivery:** UK Wide delivery to single or multiple locations.
- **Colours:** We have a choice of cupcake cases and can also colour the frosting.

Frosted Cupcakes (Small Topper)

This cupcake is a variation on our standard Frosted Cupcake where there is a little more frosting and smaller 35mm diameter topper.

This design works well if you want to have coloured buttercream as it is more visible due to the smaller logo topper.

We can also pipe two colour frosting to give a contrast using the colours of your brand.
